

Meteorologist

Meteorologists predict what will happen with weather on Earth. They use satellite observations and mathematical models to work out what is likely to happen and communicate this in a number of ways to a wide variety of customers. Meteorologists are **observant**, **logical** and **collaborative**.

Physics to know

Forces, wave properties, energy transfer

Employer

The Met Office
www.metoffice.gov.uk

Level

Undergraduate or Masters degree (other entry routes possible in the future)

Needs physics Physics is useful Transferable skills from physics
